THE WESTMINSTER NURSERY

WESTMINSTER, MARYLAND

J. E. STONER, Prop.
SPRING OF 1913

To our mail order trade.

We have a few facts to tell you, backed up by our millions of choice, healthy, vigorous, well grown and graded Peach, Apple, Pear, Cherry and Plum trees also Berry plants, California Privets, Yellow Locust and Catalpa Spec. Seedlings, Asparagus plants, etc.

Our stock has made a fine growth. You can't get better anywhere at any price.

The best is the cheapest, is the verdict of old, experienced orchardists, profit by facts established by others. We give wholesale prices, and ship direct. We are the lowest priced Nursery on earth for sterling quality. We attach Entomologists certificate to all shipments.

We have to offer planters of Peach trees one of the largest and most promising lot of Peach trees ever grown and every tree budded on Seedlings grown Kansas and North Carolina Natural Seeds. No Root Gall, no breaking off at surface of ground. Not apt to take Yellows.

Place your orders now. Make sure of your trees. Name kinds, grade and number wanted. We will reserve the trees until you want them shipped.

This past season hundreds of planters failed to get supplied because they waited too late before placing their orders. With the increased demand for Peach trees and the limited supply in the South, we advise you to order soon as prices will surely advance.

Can't you arrange to visit our nursery and see how we grow our stock?

We give 30 trees of one variety at 100 rates, 300 of a kind (as 300 apple or 300 peach, etc., not less than 10 of one variety) at 1000 rates, over 10 and less than 30 at 10 rates less than 10 at each rates. Please note where no 1000 rates is quoted that 100 rates govern. All stock nicely packed F. O. B. cars here, in good boxes or bales.

TERMS: Orders from parties with rating, billed cash before shipment or one-quarter cash with order, balance when stock is ordered shipped. If all cash with order 5 per cent off. No discount unless all cash with order. This price list is our salesman, and opens the way for every planter to secure our sterling quality trees at the lowest possible prices.
